

EPPERSON

Clearly a Better Place To Live

THE LAGOON LIFE GUIDE

EPPERSON

The Community with Elements Like No Other

Welcome to Epperson, where all of the elements of better living merge into a wonderful new place to call home. Epperson is honored to showcase the FIRST crystal-clear, human-made Lagoon in the United States. The world's most transformative amenity offers 12.5 acres of tropical paradise, with more than 7.5 acres of crystal clear blue water, swim-up bar, palm trees and sandy beaches. Beyond the shoreline, ULTRAFi provides the fastest internet speeds imaginable. When combined with dog parks, tot lots, EV cart paths and more, it is easy to see that Epperson has all the elements for a great life.

Lagoon Life

Enjoy the numerous activities or simply enjoy the view. Already hugely popular throughout the world, we are excited to introduce Epperson Lagoon by MetroLagoons. Epperson is the first to feature this incredible, game-changing amenity in the United States. With the full amenity center at over 12.5 acres in size, homeowners now have the opportunity to live a coastal lifestyle steps away from their front door.

The Best Schools

Innovation Preparatory Academy, also known as InPrep, is a new state-of-the-art K-8 free charter school in the Epperson community. InPrep uses an award-winning WISH model alongside the newest technology while implementing the importance of health, social and emotional well-being. InPrep has open and accessible spaces that encourage students to collaborate, and that allows for modularization of areas to customize the student learning in an optimal setup for the subject at hand.

The Kirkland Ranch Academy of Innovation is for students from 9th - 12th grade and is expected to educate 1,000 students beginning in the 2022-2023 school year. The 184,000 square foot facility will offer advanced Career and Technical Education to prepare students for high-salary, high-skill careers that are in demand in areas such as digital multimedia, engineering and robotics, biomedical sciences, building construction, and cyber security.

In addition, four more top-rated schools are within two miles of the community.

Resident-Only Events and Classes

Sometimes, the best way to relax is to get out of the house - and Epperson lets you do it a stone's throw from home. Relaxation should never mean boredom, monotony, or too much of the same; your options for relaxation should be every bit as varied as your opportunities for adventure. That's where we come in with our robust arsenal of events, classes, and other activities for residents of Epperson. Some of the events and activities offered at Epperson include but are not limited to:

FITNESS/WELLNESS CLASSES

SEASONAL/HOLIDAY PARTIES

LIVE MUSIC/EVENTS

streetleaf

Life just got brighter! Streetleaf is available at select MetroPlaces communities and is the first-of-its-kind solar streetlight system in the nation. Streetleaf delivers more than modern appeal and nighttime security. Not only does it save energy, it is not reliant on a power grid which reduces dependence on conventional utilities. The smart technology will automatically dim during inactivity and power to full strength when someone walks or drives by. Streetleaf is only one of the many reasons why Epperson is a unique place to call home. Innovation lives here. So should you.
